THEME

Repair & Restore

Countries around the world have declared that climate change is a real emergency. As our climate becomes hotter, what positive things can we do to cool our homes, cities and natural environments?

Use your imagination to create a drawing, painting, print, sculpture or ceramic piece that explores how we can repair and restore the world around us.

Artworks are exhibited alongside the adult exhibition from Saturday 30 November 2019 to Saturday 25 January 2020.
