**ART WALKS
12:00PM**

One of the simple joys available to us during our time at home is a walk around our neighbourhood. Artists from the upcoming Gallery program have produced a series of Art Walks that invite you to experience a new way of moving through and relating to your environment.

Each artist will share their journey through instructions via video that ask you to listen, make or move in different ways during your daily walk. Art Walks offer a way to transform and enrich our daily exercise through art making.

The first Art Walk in the series is now available and can be accessed here: <https://www.penrithregionalgallery.com.au/learning/art-at-home/art-walks/hearing-surface/>

We invite you to participate by following the artists' instructions via videos that will be shared on our social channels and on this page. We'd love you to share the outcome of your walk on our social channels and website.

Please be sure to follow the latest NSW Health advice and guidelines when participating in Art Walks.
