Visiting Common House Studio

1. I am going to Common House Studio.
2. Common House Studio is at **5/171 Power Street, Glendenning NSW 2761.**
3. I can travel by car, rideshare or public transport
4. If I need free assistance with travel, I can add to my ticket order at checkout via Eventbrite, example of question below.

I need public transport support from Blacktown Station to
Common House Studio

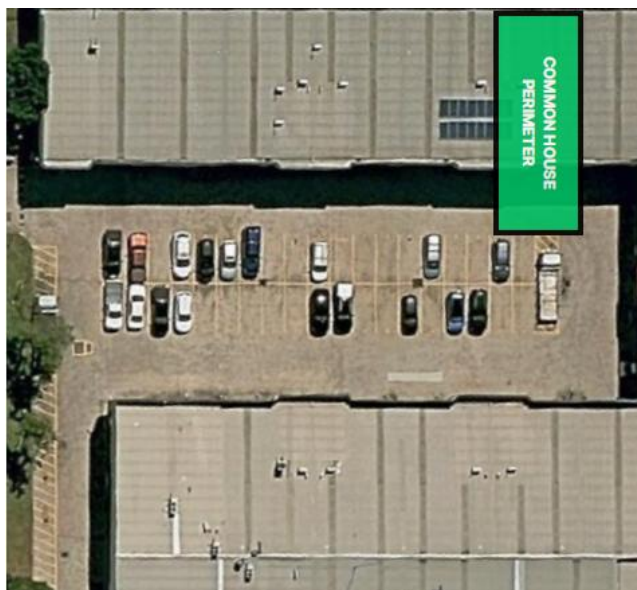

☐ Yes

☐ No

Location of Common House Studios

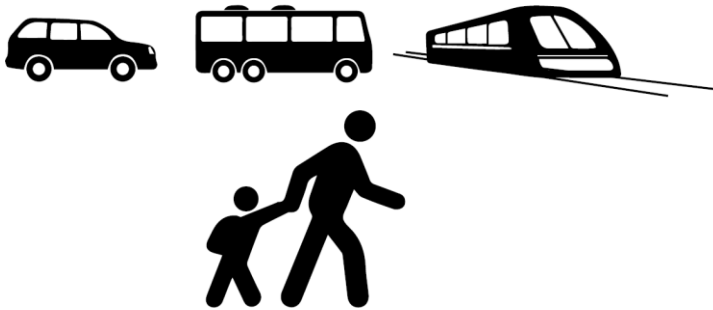

5/171 Power Street, Glendenning NSW 2761.

My journey

Ways to get there:

Driving or rideshare services:

Check your routes with Google Maps, Apple Maps or Waze

Services such as uber, Didi, and Taxis are available.

Free transport from Blacktown Train Station with Blacktown Arts –
allocated only.

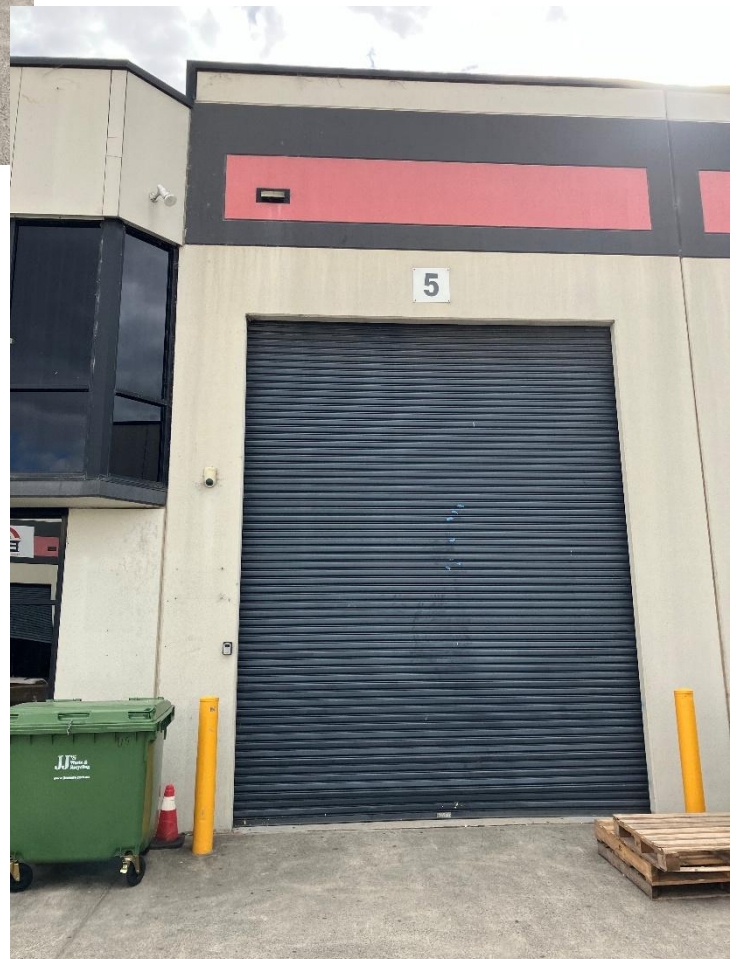

Public transport:

1. **Take a western Sydney train towards Blacktown.**
2. Get off at **Blacktown Train Station.**
3. Take a bus to **Power Street after Glendenning Road** and then walk to Common House Studios
4. Bus routes include **756** and **754**

When I arrive

- Enter via the **main driveway**, which has fencing on both sides.
- Look for the entrance marked with the **171 sign**.
- Once you enter the outdoor parking area, the **building is on your left**, towards the back of the car park.
- You can enter the building through either:
 - the **garage door opening**, or
 - the **door to the left of the garage**.

Parking

1. limited onsite parking in lot 171 Power Street
2. street parking on Owen Street available, please check signs for rules
3. **please note:** parking at 173 Power Street car park is prohibited.

Entering Common House Studios

When I enter:

1. I will enter through the main garage door
2. I may see other people inside.
3. There may be sounds from people talking, music, or activities happening in the studio.

Once arrived in the space:

1. I have found Common House Studio
2. I can take my time
3. I can grab a free snack in the space and have a seat or walk around
4. If I am unsure where to go, I can ask a staff member for help.

Accessibility at Common House Studio
